“MAKE IT HAPPEN !”

**A 6-part British course that provides everything you need
to build a flourishing home-based business
with a built-in regular monthly income!**

Written by UK-based mail order professionals who have been operating full-time successful home businesses for many years, MAKE IT HAPPEN explains how you too can build a flourishing home-based business. MAKE IT HAPPEN covers all aspects of setting up and operating a business from home including how to find your customers and keep them coming back for more, how to promote your business effectively, how to get the best out of the world-wide web and how to deal efficiently with aspects like taxation, national insurance, data protection and VAT.

MAKE IT HAPPEN makes no silly “get rich quick” promises. Rather it spells out how to make a comfortable living by steadily building a flourishing and sustainable home-based business. MAKE IT HAPPEN has lots of detailed information about mail order as this is how the authors earn their living, but there’s also a lot about home-based business in general and some well-researched information on the Internet and how best to use it to promote and develop your business. MAKE IT HAPPEN also covers the “dos” and “don’ts” of network marketing, with particular regard to the successful promotion of this type of programme through mail order.

But MAKE IT HAPPEN doesn’t just tell you *how* you can develop and operate a successful home-based business, IT *IS* A HOME-BASED BUSINESS IN ITS OWN RIGHT! When you enrol on this six-part monthly course, you also receive the rights to SELL ON THE COURSE AT 100% PROFIT! That’s right - with MAKE IT HAPPEN there are no royalty payments or overrides to pay anybody - YOU KEEP ALL THE MONEY - each and every time your customers pay you - EVERY MONTH - TIME AND TIME AGAIN!!

You get master copies of this flyer to help you find your customers, and each monthly part contains approximately 20 x A4 pages which you simply copy and sell on to all your customers at £10.00 each per month. This means that you break even with your very first customer, and will be comfortably in profit as soon as your second customer joins you. There’s no risk - you can leave the course any time you wish, and when you start you’re protected by our FOURTEEN DAY FULL MONEY BACK GUARANTEE.

There are no hidden catches, it’s simple, straightforward, and with your customers all paying you direct, you’re always in control and cannot be cheated. Send off NOW for Part 1 of MAKE IT HAPPEN - and start earning money and building your business right away!
